

Care Bears™

Every Day's
a Cheerific Day

ONE SUNNY DAY

while taking a balloon
ride above Care-a-lot, Cheer Bear
noticed that her friend, Wish Bear,
had a big frown on her face.

“Wish Bear hasn’t been smiling very much lately,” Cheer thought to herself. “That’s not like her at all. I better go find out

WHAT’S WRONG.”

"YOU SEEM A LITTLE SAD."

Cheer Bear said to
her friend.
"Can I help?"

Wish Bear said,
"I don't always feel
as cheerful about
everything as you do.
Sometimes things
make me feel kind of
unhappy."

“Let’s take a walk,”
Cheer Bear answered,
“and maybe I can share
some of my secrets
about how to make
every day

CHEERiFiC.”

"LET'S PLAY A GAME."

Cheer Bear began. "You tell me something that makes you feel sad and I'll show you how to feel happy about it!"

"That sounds like fun," Wish Bear
said, with a small smile.

**"I LOVE TO
PLAY
GAMES!"**

"LET'S START." Tell me something sad,"
said Cheer Bear. "Okay," Wish Bear replied.
"Sometimes I'm not as good at games as some of my
friends are, and I feel like quitting.
That makes me sad."

“Hmm-mm” Cheer said. “Games are about having fun, not comparing yourself to others. When all you think about is winning and being the best you take the fun out of the game.

**THINK ABOUT HAVING
FUN INSTEAD!”**

"It's your turn again."

Cheer Bear said.

**"WHAT ELSE
MAKES YOU
SAD?"**

"SOMETIMES I'M SAD

because I miss someone
that I can't be with,"

Wish Bear said.

"You're always close to people you
care about," Cheer answered,
"because you always carry happy
thoughts of them in your heart.
And aren't you happy when you
see them again?"

Wish Bear nodded and

SMILED.

"So long,
Champ
Bear!"

"See you
next time,
Funshine
Bear!"

Wish Bear watched her friends leave
their game and frowned.

"I feel extra sad
when I have to stop playing and go
inside to rest," she said.

“But how do you feel AFTER YOUR NAP?”
Cheer Bear replied.

Wish almost giggled. “You’ve got
me there, Cheer Bear! After a
nap, I feel extra happy and

**READY FOR MORE
FUN!”**

Cheer Bear exclaimed, "Let's switch. I'll tell you something that makes me sad and you tell me how I can change my feelings about it!"

"OK!" replied Wish Bear.

**"RAIN MAKES
ME SAD,"** said Cheer.

"There are lots of fun games to play inside," Wish said, thinking quickly. "And rain leaves puddles to play in and helps the flowers to grow, too."

AND BEST OF ALL...

**RAIN MAKES
RAINBOWS!!**

We couldn't
have rainbows
if we didn't
have rain!"

“WOW!”

replied Cheer Bear.
“You’re right!”

Then Cheer Bear
patted her friend on
the back, smiled her
biggest smile and
said, “I think you’ve
really learned lots
about happiness,
Wish Bear!”

“Oh, I think so, too!” Wish Bear
exclaimed. “Things really aren’t happy
or sad all by themselves. It’s how you
choose to look at them!”

“Right, Wish Bear!
And do you know
what makes me
HAPPY?”

Cheer asked.

“What?”

**“YOUR
SMILE,”**

Cheer said.

And with that, smiling brightly, Wish and
Cheer Bear went on to enjoy a perfectly

CHEERiFIC DAY!
